EDITORIAL

The hay fever season is in full swing, which means plenty of opportunities for your ever-lovin' editor to pull out his hanky and blow his nose and rub his streaming eyes in front of a bountiful bevy of babes. Seriously, do not try to chat up a *Club* girl when you've got two long streaks of what look like green candlewax dripping from your nose and you sneeze every 5 seconds. For some reason, international megababes don't find that a massive turn-on. At-choo...

Dear Club,

Summertime: I love it. As soon as it hits 25 degrees, I'm out there in the lowest cut top possible, short skirt skimming my thighs, lapping up all the attention I get from the blokes. After six months of hiding my assets under a black polo neck, it's a pretty good feeling to have everyone's eyes focused on my arse. The other great thing about summer, of course, is that everyone starts to lose their inhibitions. The normally repressed English male doesn't even need a couple of pints of lager to come on to me – a day sunbathing in the park is generally enough. Which is great if, like me, you're a fan of getting your knickers off in the open air.

I live quite near Hampstead Heath, and love spending my time hanging out by the mixed pond. Most of my friends prefer going to the ladies' pond, where they 'won't be bothered' by loads of guys staring at them – but where's the fun in that? I usually just put on my teeniest bikini (making sure my pubic hairs have been shaved to within a millimetre of their life) and sunbathe while surreptitiously checking out the guys.

When I got there the other week, the grass was already quite packed and I had trouble finding a suitably secluded spot. Then I noticed one guy sat on his own, and decided to position myself a little bit above him on a slope. Pretending I hadn't even noticed him, I lay down, ensuring that he'd have a good view of my cleavage. I gave him a bit of time to get excited and then embarked on my routine. First step – apply suncream in full view, paying special attention to the top of my thighs. Then lie on my front, pussy in their direct line of vision. If they roll onto their stomachs, I know I'm making a good impression. Sure enough, my admirer had turned round and I can only imagine was staring directly at my cunt through his shades – stiff cock pressing into the grass, no doubt.

Then I went for the killer blow – trying to rub the suncream on my back by myself. Within seconds my man was at my side. "Can I give you a hand there, love?"

"If you don't mind, I'm having a bit of trouble," I replied, handing him the tube. My snatch was already starting to get wet, but the feel of his hands on my body really got my juices streaming, making my bikini bottoms uncomfortably damp. His fingers slipped over my back, brushing against my tits, even disappearing momentarily down my arse crack. I flipped over so he could continue on my front, any pretence of innocence pretty much gone now. He was leaning over me so that the sunbathers behind couldn't see my breasts, the nipples already dark and hard. His hands flicked over them before moving down between my thighs. I felt him pull my bikini aside and then a finger was sliding into my fanny.

I stayed silent, lying on my back pretending nothing was happening, just spreading my legs a little further so he could probe deeper in my hole. His cock was now massive, and checking I couldn't be seen, I reached my hand over and thrust it inside his shorts, wanking him slowly at first, then harder until I could see little drops of pre-cum on his tip.

But by now I was gagging for a good fuck. I was pretty sure no one had noticed us but, just to make sure, I nodded in the direction of the bushes. We pulled our towels further up, out of sight, and then the fun began in earnest. I rolled onto my front and let him pull my bottoms further down. He began poking his finger into my anus, spreading that brown hole wider, using the suncream as a lubricant, My cunt contracted with pleasure as he pushed it in and I arched my back up towards him, inviting him to shove his whole cock in there. Instead, he pulled my knickers down to my knees, spread my fanny lips and at last pushed his prick inside, still with his finger rammed into my arsehole.

Our bodies were totally dripping by now, the heat and sweat making it all the more feverish. I was trying to be as quiet as possible, but I love being taking from behind so much I couldn't stop myself moaning. He started to bang me even harder, sliding his whole length in and out, and I reached my hand between my legs so I could squeeze his balls and my engorged clit at the same time. My orgasm started to spread through my body just as he pulled his dick out and splashed his spunk all over my bum. I collapsed, totally satisfied, onto the towel, while he carried on rubbing his cum into me so I was even stickier than before! Definitely time for a dip in the pond, I reckoned.

RED PIE AT NIGHT!

Dear Club,

Just a line to say thanks for a great magazine. I love the shots of the girls holding their pussy lips open like Erica in Vol 42. No. 6., with her bum up in the air. Also Georgia and the lovely Natalie – real cock stiffening stuff. Could you find a nice redhead sometime please. Keep up the good work.

Bob, Norfolk

Thanks for the letter Bob and, yes, we could definitely use a nice redhead in these pages more often. Your current editor fell in love with Club back when Lucy was the Club regular girl, in more innocent times, so we know just how you feel…

THE POON'S A BALLOON!

Dear Club,
Two of my favourite things in one photo shoot: Sasha and balloons. Ex-girlfriends of mine think I'm a bit strange for having a balloon fetish, but then I met a girl a couple of years ago who really gets it. She's so good to me she wanked me off all over Sasha's pictures, and says she'd like nothing better than to lick my cum straight from Sasha's skin in a room full of balloons. Let's say I've landed on my feet!
Damien, Colchester

Blimey, you've got a diamond there, Damien. A girl actually stroking you off over Club and wanting to do the same in real life? That's gold. We imagine Sasha will be stroking her pussy at the very idea of your hot girlfriend. As for us? We're asthmatic, so if you could send your girlfriend over to blow up our balloons we'd be very grateful…

A peach on the beach...

When Ashley invited us to join her for a day at her local beach, we jumped at the chance. We packed our 1920's style bathing suit, straw hat, factor 60 and windbreakers. And then she goes and turns up in next to nothing, before quickly making that absolutely nothing.

"Didn't I mention it was a nude beach?"

No, Ashley, you didn't.

"Well, you're a bit overdressed now, so you'll have to strip off and join me."

Ashley, the public will glory in your nudity. The last thing they want next to it is a nude gnarwhal... ♣

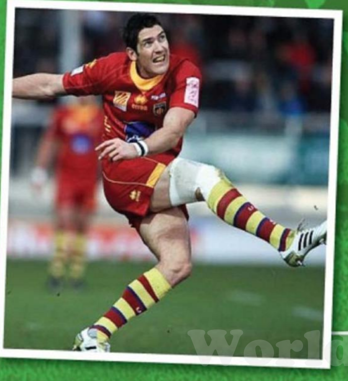
British and Irish Lions Tour

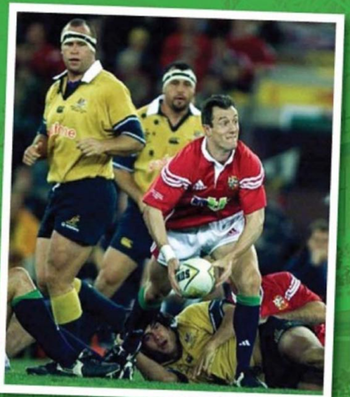
Hong Kong and Australia
1st June to 6th July

Every four years the rugby union associations across Great Britain and Ireland do what their footballing equivalents (except for a fairly half-cocked attempt at last year's Olympics) can't seem to manage by making friends and playing together as one team for a few games. They set aside their differences, forget that only a few months ago they were cauliflowering each other's ears in the Six Nations tournament, and for a month or so become best mates in order to have a big game of 'hide the soap'. Sorry, I meant to say that they combine forces to take on a southern hemisphere giant over three matches in their back yard – and this time the lucky hosts will be Australia.

On paper it sounds a bit like a jolly, but that couldn't be further from the truth. Earning a place in the British and Irish Lions squad is the pinnacle of any player's career, and for the fans this is a rare opportunity to see the home international teams unite and challenge one of the game's bigwigs.

For some reason the whole shebang kicks off in Hong Kong, a decision which probably has as much to do with sponsors HSBC than for anything especially rugby related, with a warm-up game against the Barbarians – a touring team made up from a hotch-potch of invited players from the UK and beyond. After that the Lions move on to Australia for a series of matches against domestic club sides including the Queensland Reds and the rather stupidly named 'Brumbies', before the real business begins on 22nd June, when they tackle the Aussies – or the Qantas Wallabies for the purpose of marketing – in the first test in Brisbane, with the second and third tests taking place in Melbourne (29th June) and Sydney (6th July).





So what chance do the touring party have of toppling the mighty Aussies on their patch? Considering that the squad pretty much comprises the cream of our 'home' talent, you'd think a pretty good one, wouldn't you? But what if I said that the Lions have lost their last three tours, in South Africa, New Zealand and Australia respectively? And what if I told you that in their 125 year history they've actually lost (57) significantly more test matches than they've won (44)? I know, I know, you'd be a bit fucking downbeat about the whole affair, wouldn't you? On the plus side, however, the Lions have a cracking record Down Under, winning 15 tests to 5 defeats, and the bookies make them slight favourites to take the series.

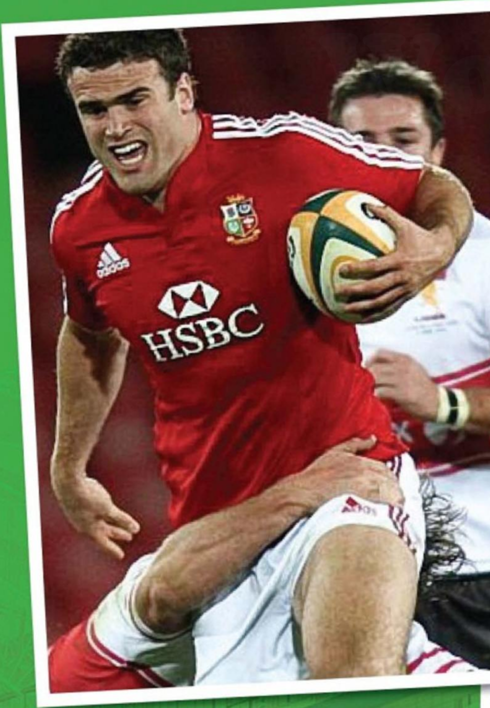
In an fairly uncertain contest, three things are for sure – Owen Farrell, who comes in for Jonny Wilkinson, will have to be at his very best with the boot, coach Warren Gatland will have to work some of the magic he used with Wales to snatch the Six Nations from England this year, and the timing of the matches will give fans the excuse to have beer for breakfast – which is always nice.

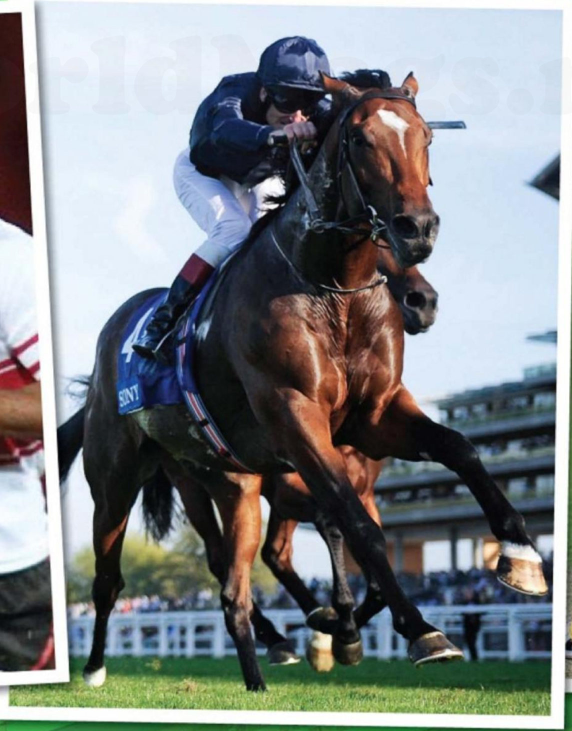
Royal Ascot

Ascot Racecourse, Berkshire
18th to 22nd June

Type Royal Ascot into an Internet search engine and you're as likely to get style tips as those of the racing variety. I now know that a floral-print maxi-dress with clutch-bag and strappy sandals is probably the way to go come Ladies' Day and that some kind of fancy headgear is essential, but I've no idea what's going to win the Gold Cup or the Prince of Wales Stakes, probably the biggest races of the entire meeting. Honestly, I wonder what John McCririck makes of it all?

With the Queen arriving at the course every day in a horse-drawn carriage and the punters





all dressed up to the nines, it's fair to say that Royal Ascot is as much about hats and pageantry as thoroughbreds and gambling, but the fact remains that this is one of the finest gatherings of equine talent on the planet, featuring seven Group One races and over five million pounds of prize money up for grabs.

The big story is the comeback of last year's 2000 Guineas and Epsom Derby winner Camelot, who looks set to be pitched up against Cirrus Des Aigles, second to the legendary Frankel in 2012 and currently the highest rated horse in training, in the aforementioned Prince of Wales' Stakes. A hotly-anticipated Gold Cup should see a grudge match between a couple of former victors in the race, Rite of Passage and Colour Vision, over the gruelling two and a half mile distance.

In a nutshell, if you can tolerate Claire Balding bollocking on about how good the Queen is and don't mind if Channel 4 have someone like Gok Wan or Lawrence Llewelyn Ballbag (topical, I know, but I think he did it for the BBC last year) whacking off about all the fashion and stupid hats then there's plenty to enjoy here – just remember to keep the remote control close to hand in case it all gets too much.

ICC Champions Trophy

England and Wales
June 6th to 23rd

If cricket's your thing then this summer is looking like one to savour – well, so long as the fucking British weather cheers up. England, with 'sort of new' captain Alastair Cook at the helm, are already in the midst of a test series with New Zealand and, of course, there's the home Ashes series starting in July. Sandwiched in-between is something for those who like their crease action to be a little more concise, the 'one day' format ICC Champions Trophy.

> "The 50 over game is like a quick bunk-up, boasting plenty of thrills and spills but coming with a slight feeling of emptiness afterwards"

If Test Matches are a cricket fan's stable, loving relationship, then the '50 over' game must be the quick bunk-up, boasting plenty of thrills and spills but coming with a slight feeling of emptiness afterwards. A guilty pleasure, if you like. Take the best eight teams in the world, split them into a couple of groups, and let them thrash it out round-robin style to see which two sides can top their pools and qualify for the straight knockout semi-finals and final. It's enough to tempt any cricketing aficionado away from the traditional Test Match humdrum and towards the cheap floozy with no knickers flogging her wares, and yes, I do realise that I've taken that analogy a bit too far now.

By virtue of being top of the ICC rankings, India get to bat things off against South Africa in Cardiff on June 6th, and a couple of days later England enter the fray against none other than Australia, providing the perfect opportunity for Cook and co to score an early blow before the all-important Ashes series.

If everything goes to form the tournament should see a tussle between India, South Africa, Australia and England, although the short forms of cricket are rarely predictable. Just sit back, relax, and enjoy the ride... ♣

Bioshock Infinite

(Take 2 Interactive, PS3, PC, Xbox 360 £39.99)

The first two *Bioshock* games situated the played in the watery depths of Rapture, while the gameplay combined standard first person shooter with a truly imaginative story and sumptuous visuals. For *Infinite*, rather than dump us back in the soggy setting we're familiar with, we're instead transported to the floating city of Columbia in 1912. It's a city that has gone missing in the clouds and your character, former Pinkerton agent turned P.I. Booker DeWitt is charged with rescuing a girl called Elizabeth in order to wipe out your debts. It's do or die.

Sounds like a simple concept? It is, but where *Bioshock* delivers is in combining brilliant combat – as well as weapons you can use 'vigors', battle on skyhooks and tear through time to access new weapons – with a look that is totally unique. Characters aren't the usual thinly drawn ciphers from most FPS games. You'll grow to love Elizabeth, and while you don't control her character, she doesn't just stand idly by while you fight. The AI ensures she looks out for herself. It's a game that rewards care and exploration of the magnficent surroundings, and gives up its secrets slowly. Good enough on consoles – and a great last hurrah for this cycle before the PS4 and Xbox slab – this looks frankly amazing on a hi-spec PC. ★★★★★

Widely ignored in the UK but absolutely adored by those who've discovered it, *Friday Night Lights* was a spin-off from the film of the same name but that's as far as the similarities go. It's ostensibly about small town American Football in Dillon, Texas, but, more importantly, it's a brilliantly acted character drama. It's like the most accurate, deep soap you could possibly watch, and in Mr and Mrs Coach, we have the most realistic marriage ever filmed. Yup, we stand by that. Remember when everyone had a Nokia phone? In the pre-smartphone days, the little grey buggers were everywhere. But Apple, Samsung, HTC and RIM soon put paid to that, and now Nokia are playing catch up in a different world. But they're not doing a bad job of it, to be honest. The 720 is sleek, colourful, with Windows 8 lending itself to the small format perhaps better than it does to PC's. With a Carl Zeiss lens and a 6.7 megapixels camera, this is ideal for photo sharing, whether on Facebook or Instagram. Battery life is impressive, making up for the relatively average screen. A great mid-market entry.

Pros: Good camera, light, affordable.

Cons: So-so screen.

If you priced up a PC at this budget, you'd have something with much more heft and power than this Apple iMac. But you'd also have something chunky, noisy and hardly as efficient. It doesn't matter what machine you put Windows 8 on, it won't run as smoothly as Mac OS X Mountain Lion does on this. Did we mention it's a mere 5mm thick? No? How remiss of us. It's a beautiful thing, easy to set up and with a quad-core i7 chip providing plenty of processing power. If only Macs did games as well as PC's, there's be no competition.

Pros: Screen is almost wafer thin and lovely in action.

Cons: Not cheap, sound a little tinny, you'll need external speakers.

The quality of speakers on big, lounge-dominating plasma and LCD televisions have improved over the last decade, but they can still be a bit of a lottery. With smaller bezels and thinner screens, it's difficult to pack any oomph into a telly. But not everyone wants to go the home cinema route – lack of space, lack of money, a good relationship with the neighbours. That's where soundbars come in, and Sonos' latest effort looks and sounds good. It also streams stuff from a computer or a NAS drive, and connects via your optical cable. Spend a bit more and you can buy a subwoofer, but for your average sized home with a telly that doesn't do its pictures justice with its sound, this is perfect..

Pros: Nice all-in-one soundbar.

Cons: Lack of remote control. Add a sub-woofer and it becomes expensive. ♣

BIRTHDAY GIRL!

As I lay naked in bed with Chrissie snuggled up to me, her arm across my chest and her hand gently caressing my boob, I wondered again how a happily-married woman like me came to be lying here with another girl, and what on earth my husband would say when I told him. Mind you, I couldn't help but feel that it was partly his fault. After all, he had always encouraged my lesbian fantasies, even thought I doubt very much that he ever expected me to make them come true. But he made it pretty clear that he liked the idea, and was always happy to hear me tell him when I'd had a dream about going with a girl, or when I pointed out a woman on TV who turned me on. He wanted all the details from me then, who'd done what to whom in the dream or what I'd like to do with the girl from the TV, and clearly found it highly arousing when I told him. So when he announced that he was going to have to work away on my birthday, and that I should have some friends over to help me celebrate, he was really asking for trouble I think. Because I didn't invite friends over – I invited one special friend, and it was her who was now cuddling up to me in our marital bed.

Chrissie and I had met a few months earlier via a mutual acquaintance, and straight away there was something about her that appealed to me. She was very pretty for one thing, but it was more than that. She was friendly and fun and – this was the bit that I think attracted me particularly – more than a bit flirty with me. And I found it exciting – flattering I guess – and played up to it, responding in kind. So when my husband told me that he'd be away for my birthday, my immediate reaction was to ring Chrissie and invite her over.

She arrived armed with a DVD for us to watch – a rom-com she said. Which it was for sure, but a slightly unusual one, in that the romance in question was between two girls. It was called *Kissing Jessica Stein*, and whilst it certainly wasn't any sort of lesbian porn – I think that it had a 15 rating – it did feature quite a lot of footage of the two girls in question kissing, and one scene of them making love, albeit shot very discretely. Chrissie and I sat together on my sofa watching this, sipping at our wine, and not saying too much. But I think that we were both very aware that we were two girls who had been doing some pretty serious flirting with each in recent weeks, watching a film about two girls who had moved from flirting to kissing to making love. I for one found that pretty exciting, and was very aware of a moistness growing between my legs as we watched.

We'd put the film on pretty late, so by the time it finished it was getting on for midnight, and we had polished off the bottle of wine between us. Chrissie got up and said that she must be going, but I quickly said that she couldn't possibly set off home at such a late hour, especially not after half-a-bottle of wine, and that she should stay over in my spare room. Chrissie readily agreed, so we headed upstairs for me to show her to her room.

We stood by the open door to her room opposite mine, neither of us quite sure what to do next. I offered her a nightshirt of mine to wear, but she just said that she'd be fine, which I took to mean that she was planning on sleeping in the nude, hardly helping with my state of agitation. Finally we ran out of things to say, and after a few moments silence Chrissie said, “Goodnight then,” then leaned forward and gave me a little kiss on the lips. It wasn't a snog – nothing like it – but it was more than the sort of kiss that any of my other friends would give me. They would peck me on the cheek at most, and even that would probably be an air kiss. But this from Chrissie was distinctly lips to lips, and although it was fleetingly brief, it was still just a tantalising moment longer than it needed to be.

After the kiss, we looked at each other for a second or two, and then I turned and entered my room, softly pushing the door to behind me but not closing it. Then I felt like screaming in frustration. Had I just blown the most golden of opportunities to make my dream come true and be with another girl properly for the first time in my life? Why had I turned away from her just at the point that we seemed destined to come together? I couldn't answer. Fear of the unknown I suppose, but if I could have gone back in time just a couple of minutes I knew that if Chrissie kissed me again I would grab hold of her and kiss her like I meant it. But it was too late now, and I was so cross with myself I could have cried. Knowing that she was probably now naked in bed just a few feet from me didn't help, and I stripped off my clothes and clambered in to bed in a state of great agitation.

I knew immediately that sleep wouldn't come easily that night, and given that my frustration was both an irritation with myself, but also the sexual frustration of a body that had prepared itself for sex and then been denied, I decided that the only thing to do was to make the best of a bad job and at least enjoy masturbating myself to sleep with thoughts of Chrissie in my head. I quite often have a quick one at bedtime to help me to sleep. I find it's wonderfully effective, and the dark of night-time seems to suit my ability to

> “A tongue snaking into my mouth as a finger was snaking in to my pussy down below”

fantasise. So that’s what I did now – I rolled on to my back in the bed, opened my legs and closed my eyes, and let my fingers go to work on my pussy whilst my imagination went to work in my head.

Despite my agitation, it worked as well as ever – better perhaps, because I was already pretty horny. Certainly my fingers found my pussy already quite wet and swollen, and as I started to play I could sense that it wouldn’t take much to get me off. I let my imagination run free, and thought about what I should have done when Chrissie kissed me. In my mind I now kissed her back with passion, holding her and pulling her to me, my hands running through her long blonde hair. We stumble back in to her bedroom, pulling at each others’ clothes whilst still locked together in a frenzied kiss. I imagined my hands on her breasts, feeling the weight of another girl’s boobs for the first time in my life. Then her nipple between my lips, the sensation of it hardening in my mouth as I suck. Finally the warmth and wetness between her legs as I touch her there for the first time, the first time that I’ve touched any woman there.

As my imagination ran wild, so did my hands between my legs, mirroring on myself what I was fantasising about doing to Chrissie. I was getting myself close to cumming, and with my eyes screwed shut and lost in my fantasy I was hardly aware of the bedding being pulled aside and a body getting in beside me. Hardly aware that is until I felt a soft hand gently take hold of my wrist and pull my hand away from my pussy, then a voice quietly whisper in my ear, “Let me do that for you.” Then I felt a new sensation to me – a soft touch between my legs, but not my own touch nor my husband’s, both so familiar to me. This was different – delicate and slightly hesitant at first, but gathering in confidence as I responded. Then something else again – warm lips closing over mine, and then a tongue gently snaking in to my mouth, just as a finger was gently snaking in to my pussy down below.

There was something soft pressing against my breast, and with a little jolt of pleasure I realised that it must be Chrissie’s boob, as she leaned over me to kiss me more deeply still, her finger in my pussy now stroking me inside as she pushed her palm firmly against my clit and began to move it in small circles. I reached out to her, and my hand touched naked flesh. I stroked up and down, feeling the curve of a hip as my hand swept down, followed by the rise of a breast as I brought it

back up. I moved it round to cup that breast, and felt the weight of it in my hand just like in my fantasy, the nipple standing hard and proud against my palm. Meanwhile, Chrissie continued to work my pussy with her fingers at the same time as kissing me like I'd never been kissed before, and I just couldn't take any more of this as I climaxed in an explosion of pleasure.

Whether Chrissie knew what had happened I don't know, but she kept her finger inside me, her mouth still locked on to mine, French-kissing me. I kissed her straight back, revelling in the feel of my lips on another girl's, whilst her finger continued to gently stroke inside my pussy, sending little post-orgasmic tremors of pleasure through my body. I might have just lay there all night kissing Chrissie while she fondled me, but there was part of my fantasy that I hadn't made real yet, and now I wasn't going to be denied any longer.

So I rolled on to my side, rolling Chrissie on to her back as I did so, her finger finally slipping from inside me. It was dark in the room, so I couldn't see her clearly, but I let my hands explore as I fastened my lips back on to hers to kiss her deeply some more. It's hard to describe just how arousing it felt to be kissing another girl. It was just a kiss – no different really from with my husband. Yet it felt so very different, so much more sensual and erotic. Chrissie's mouth was smaller than his, her lips fuller and softer, and of course there was no bristly stubble against my cheek.

> **“She felt warm and wet and welcoming inside, her juices giving a silky feel to my touch”**

Deeply aroused, I let my hands roam over her body as we snogged. Her breasts felt full and firm against my palm as I massaged them, her nipples standing hard and erect. I wanted to suck them, but couldn't bring myself to stop kissing Chrissie yet, so instead let my hand trail downwards, stroking over the gentle rise of her tummy, passed the little indentation of her belly-button, and down towards the enclave between her legs. I went lower, but felt no hair to guide me, just the slight swelling of her mound, and then my fingers felt the fleshiness of another woman's lips for the first time.

Chrissie's clit felt larger than mine, or at least more prominent, and as my fingers brushed over it I felt her moan slightly into my mouth as we kissed. Her inner lips too seemed more pronounced than mine – from what I could feel I imagined that they would be proud of her outer lips even when she wasn't aroused, and her in current state they felt large and swollen to my touch. I wiggled my fingers between them, and was rewarded with the feeling of slightly sticky wetness that I certainly recognised from my own aroused pussy when I masturbated. I let my middle finger slip through the warm folds until I felt her entrance. I traced around it a couple of times, feeling how open she had become with her desire, then allowed my finger to slide inside her wetness as I slid my tongue in to her mouth at the same time.

She felt warm and wet and welcoming inside, her juices giving a silky feel to my touch, enhanced by the soft sponginess that my fingers felt. When I finger myself, my arms only just reach, meaning that I can only slide a little way inside. But with Chrissie I was able to lean down slightly so that my fingers could explore every last part of her, and I luxuriated in the feel of another girl's most private places. Chrissie and I had continued to kiss passionately as I fingered her, and I could sense from her reactions against my lips that she was enjoying what I was doing. But now I wanted something more, something that I'd fantasised about for years, but never thought that I would make real – I wanted to taste another girl's pussy on my tongue. I gently broke away from our kiss, but before Chrissie could complain I had slipped my finger from inside her and brought it up to our faces. I slowly ran the length of my finger along Chrissie's lips, coating them with her juices, then bent down and fastened my mouth on to

hers once more.

This time our kiss was pussy-flavoured, and that made it even more arousing than before. It also confirmed to me that I needed more than just a second-hand taste of Chrissie. I knew then for sure that I had to lick her; I had to know what it felt like to go down on another girl. So I wriggled down under the covers, leaving Chrissie still licking the last of her flavour from her lips, and positioned myself on my tummy between her open legs.

It was pitch dark below the bedding, and hot too, but this just seemed to heighten my senses as I planted little kisses along the insides of Chrissie's soft thighs, edging upwards ever-closer to my goal. I could hear her little gasps of pleasure, turning into soft moans as I reached the top of her legs, then finally a long drawn-out sigh as – for the first time in my life – I gently put my lips to another girl's pussy, and pushed my tongue forward to explore. For a moment I thought that I might faint, so intense were the emotions that I felt. I knew my own taste, of course, and had experienced that often enough second-hand off my husband. But tasting Chrissie straight from the pussy was something else again – the sensation of her soft lips against mine, the feel of her reactions to my probing tongue. In the dark and the heat under the covers it felt unbelievably sensuous and erotic, and I allowed myself to explore every part of her pussy with my lips and tongue, revelling in the lush tastes in my mouth that this produced.

Any inhibitions that I may have had left slipped away, and I dared to explore my desires even further. Dipping my head lower, I allowed my tongue to trail downwards, towards Chrissie's most secret place. I'd seen girls rimming each others' bums on my husband's naughty DVD's, but never thought that I'd be trying it for myself. But lust had taken over for me, and I wanted to experience everything that there was to experience about girl-girl love-making, so gently easing Chrissie's cheeks apart with my palms, I allowed my tongue to just ever-so-lightly tickle over her sensitive little place. I heard her gasp as I did so, and then shift position slightly to afford me better access.

Encouraged by this reaction, I licked again, this time more firmly, which was met with a long moan of pleasure from Chrissie. Sure now that I was doing what she wanted, I pressed on, my tongue exploring freely, each action resulting in sighs and groans of pleasure from above. Then Chrissie did something that I hadn't expected. Reaching down and under the covers, I felt her fingers start to trace where my tongue had just been, and though it was dark I could sense from the sudden intake of breath from her when she pushed forwards and allowed her finger to enter her behind.

This I had to watch, so I pushed back the covers and reached over to switch on the bedside light to enjoy the sight before me. And what a sight it was. Chrissie had reached round behind, and now had her finger up her bum to the second knuckle, whilst with her other hand she was rubbing away at her pussy and clit. I didn't know whether to try to join in, or just leave her to it and enjoy the show. But then suddenly it didn't matter anymore, as her back arched and she cried out, her finger disappearing all the way in her behind, and her other hand suddenly still on her puss as her orgasm erupted.

I don't know if it was normal for her to finger her bum when she masturbated, or whether this was a new sensation for her. But either way it seemed to produce the most intense of orgasms, as her body went through a series of mini-convulsions in time with little pants of pleasure coming from her mouth, before she finally lay still, spent and exhausted.

I gave her a few moments to recover, and then lay down beside her with my arms encircling her nakedness. We kissed again, some of the passion now gone since our climaxes, which somehow made this kiss even more sensual than those before it.

"That was incredible," I said. "I know," Chrissie replied, "I always thought that making love with you would be." I wondered for just how long Chrissie had been thinking of me in that way, then decided that it didn't matter. We'd crossed a line now, and I knew that for both of us there would be no going back from here. Things would only get more intense and passionate. So I kissed her once more, as we snuggled together just for the pleasure of feeling our bodies touch.

THE GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

Gwyneth Paltrow is never long out of the news. This month she's been voted world's most beautiful woman, done the promotional treadmill for *Iron Man 3* and banged on about nutrition and her website in a way guaranteed to rile a fuck of a lot of people. We, however, still love her. For us she'll always be the sexily aloof Margot Tenenbaum in the brilliant *The Royal Tenenbaums*, sharing a lesbian snog. But she's got her far from paltry Paltrows out in *Great Expectations*, *Shakespeare in Love* and 1993's *Flesh and Bone* as well. That's 20 years of service to showing us her lovely, pert boobs. World's most beautiful? Well, she's no *Club* girl of the year, but she'll do for now… ♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

TAN & TUSHY!

Okay, I admit it, this is a sunbed tan – well, it's topping up the real thing. At least it's an all-over job. Oh, I'm not saying tan lines can't be sexy – take the case of this guy I once pulled on holiday. He majorly got off on rubbing cold chunks of watermelon over the marks left by my bikini, then lapping up every drop of juice. But nothing's quite as sexy as sunbathing starkers, which is how I got this all-over tan in the first place.

Don't believe me? You reckon I just went topless? You're taking long enough over checking out my tits – no, I'm not asking you to stop – I just wish you'd been there on the beach, watching me squirt sun lotion on my boobs. Trust me to think it looked like thick, white spunk, dribbling down and dripping onto my lovely flat stomach – I've got such a dirty little mind. I was ultra-careful with my nipples, stroking them stiff, then smearing sunblock on them, keeping them all juicy and suckable. They still get a bit sensitive, though – or is it just what you're doing to them with your tongue? Mmmn – ooh, that tickles!

Okay, believe me now? You're kissing your way down over my stomach, and slipping your tongue into my belly button, teasing me so much I'm already squirming against you when you slide your hand in between my thighs to cup me through my panties. Now you can feel just how turned-on you've got me, how warm and moist my cunt feels through my white cotton gusset as I grind it hard against your palm. Like that, don't you?

> "I'm tight, but you're so hard, and so slick with my juices that you slip in easily, filling me to the hilt"

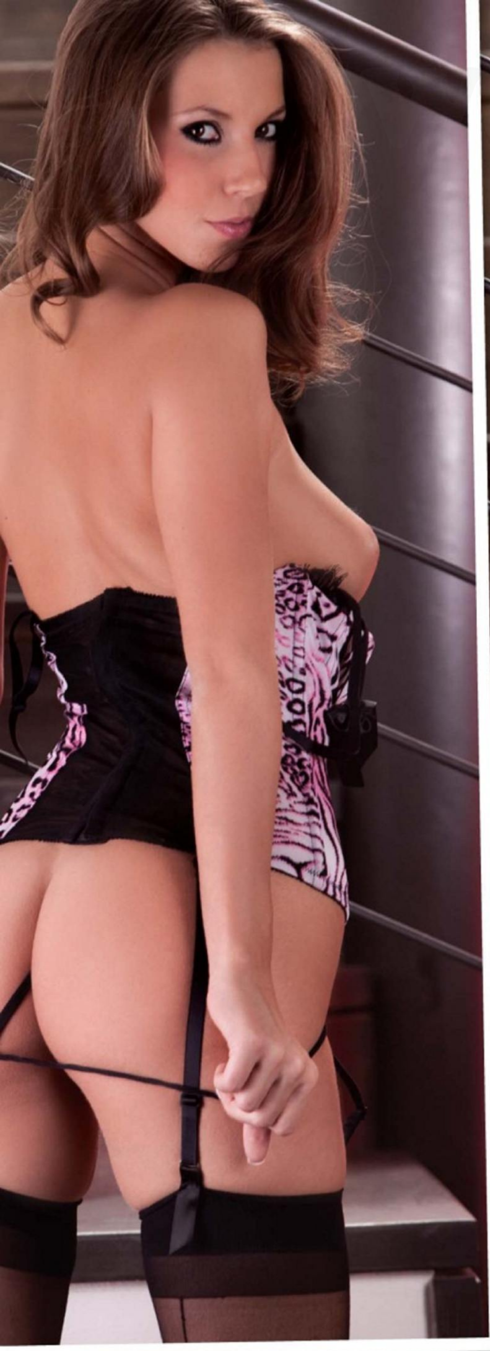
Now you're peeling my panties down – still checking me for tan lines, aren't you? Like I said, if only you'd been on the beach to see me lying there, sprawled out, the cool breeze ruffling my pubes. Yes, I like the natural look – I don't mind shaving for a kinky little thrill, but when a guy goes down on me, I want him to be able to taste exactly how turned-on I am. To run his fingers through my bush and then breathe in the scent of my cunt as it juices up – yeah, do it just like that – see how horny you're getting me.

Now you're splaying my labia with your thumbs; spreading them wide to expose my slit – it looks so pink and moist peeking out from between my dark pubes. It's dripping with fuck-juices and getting even damper as you thumb the sides of my clit, rubbing gently until it's swollen and aching with pleasure. You're kneeling with your mouth just a couple of inches from my crotch, and it's all I can do to stop myself from grabbing the back of your hair and pulling your mouth onto my slit, begging you to suck me . . .

Ohhh – just one flick of your tongue – that's all it takes to get me tingling all over. Now you're lapping and sucking away, caressing my naked arse as you try to lick me deeper. I shut my eyes, letting the sensations run through me, feeling just a little bit dizzy – yes, maybe we'd better lie down.

You're flat out now, with me kneeling over you. Your thumbs are splaying my cunt again, as far as it'll go, as your hands part my bumcheeks. As I sink down, you slip your tongue to the root inside me, and I reach down to stroke my clit, so I'm juicing down your throat. No, please don't stop sucking me – mmmn . . . You've wet a finger and now you're sliding it up my arsehole, pumping it in and out as your tongue fucks my pussy. My, you are a dirty little bastard, aren't you? I knew you wouldn't disappoint me!

I stretch out along your body, fumbling your flies open, my hands trembling from the feelings shooting through my body. You're rock-hard even before I touch your cock – I spring it free, feeling it twitch and swell even more in my hand, and stroke it up and down its length. I rub it against my face, feeling how hot, how stiff it is, every vein standing out on the shaft. The tip's already moist, and I paint



little smears of pre-cum over my lips and then lick it off.

I can't wait any more – it's time I tasted you properly. I tease you first, just like you've been teasing me, using my hand to wank you against my tongue. Your tip feels hot against it, so engorged it's throbbing, your salty taste spreading through my mouth. I wanted to drive you crazy, to hear you beg me to suck your cock, but I want it too much to string it out any more. As your tongue plunges deep into my hole, juices flowing out to soak your face, I take your prick fully in my mouth. I suck you in right down to your balls, using my hand to rub them against my chin. When I come up for air, I switch to sucking your head, swirling and rasping my rough little tongue against it, relishing the feel and taste of you as you get closer to cumming.

Now you're almost there – your prick's throbbing against my tongue. I don't know how you can hold back so long – my cunt's tightening up around your tongue, and, as I start to orgasm, I suck you even harder. Your cock jerks inside my mouth, straining to cum, and then you spurt so hard the first jet hits the back of my throat. The next salty wave splashes after it, spraying the entire inside of my mouth with your creamy spunk. And now I'll start massaging your balls, milking the final dribbles onto my tongue – I don't want a drop of that good, good medicine going to waste.

Ahhh! We stay just as we are, me lying on top of you, enjoying each other's heat as we come back down to earth. It's not long before I feel your hands on me again, stroking, teasing. My grateful cunt's so moist and tender from the sucking you've given it, and soon it's juicing all over your hand.

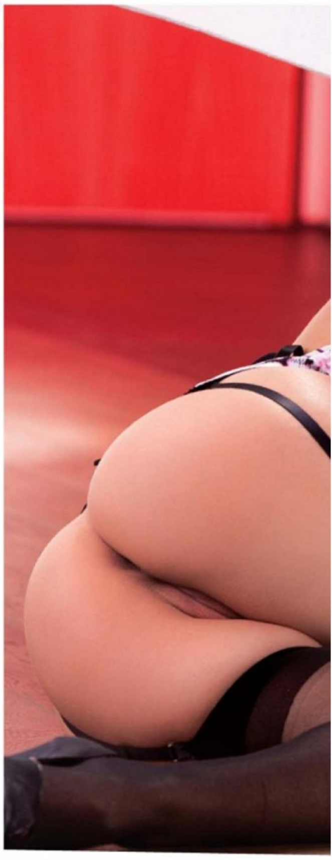
I almost climax again as you slip your finger back up my arse, but I fight it as I slide down your body to straddle your prick. My fuck-cream drips out over your helmet and trickles down your shaft as I tease my slit with your tip, then I sink down, guiding you inside me; wanking your length as I take it in, inch by wonderful inch.

I'm less controlled now as I ride you, sensation overloading me as your finger rubs against your cock, through the thin flesh wall between my cunt and arsehole. I'm using one hand to rub your rough, hairy ball sac against my clit, while the other plays with my nipples. I'm pinching them, twisting them; doing all the special little tricks that a girl likes to use on herself. To savour it all, I have to prevent myself cumming by tightly clenching my arse – hmm, how'd it feel to take your cock inside it? Time I found out, I reckon . . .

I haul myself up, one hand around the base of your cock. You know what I'm thinking – your finger slides out, and now your helmet's butting up to my arsehole. I breathe in deep, sighing as I ease myself down onto your stiff length.

I'm tight, but you're so hard, and so slick with my juices that you slip in easily, stretching and filling me right to the hilt. I've never felt so full of cock in my life. Why don't you pound it in there? Draw it out until only the tip is in, then slam it back up until I can feel your balls slap against me?

I want to taste it as well, suck the juices from your sticky cock. Pull it out of my arse



and then fuck my mouth with it. Oh fuck, that tastes so good. I'm going to spit on it to lube it up so you can jam that hard fucker back in my tightest hole.

Jesus, I'm cumming, oh yeahhh, coming hard, and you're about to, too. My juices flow, hot and sticky over your balls, and my arse is pulsating and rippling as it tightens like a vise around your shaft. I close my eyes again, bucking and writhing on your prick, as – ohhh! – you flood my arse with a huge, hot load of spunk . . .
Angela, Notts

COWGIRL CRAMMING!

Whenever I read your magazine I always scour the pages for shots of girls bending over, or sitting down with their fleshy bums spread out on the seat. Fortunately, my latest girlfriend has a great rear and she doesn't seem to mind my obsession with it. She has, in fact, got a good figure all round, with a lovely slim torso and pert round tits, however, whenever we have sex it's all about her arse. Until she met me, she had only been fucked doggy style a couple of times, but now it's about two times a night!

> **"I soon had my finger knuckle deep in her chute and she nodded her compliance as I pushed it in"**

The last time we were shagging, she was on top and riding me hard when I asked her to turn around. She had never done reverse cowgirl before, but as soon as she slipped back onto my meat she let out a moan of approval saying, "Oh, that's just right." With her legs splayed either side of me, I had the whole expanse of her buxom arse to play with.

Taking fistfuls of her flesh, I spread it wide and helped her raise herself up and down on my cock. As I playfully spanked it, she gripped my thighs with her hands and started thrusting it back towards me, taking the full length of my prick right into her. As she fucked harder and harder, tiny beads of sweat began to glisten on her cheeks and I was massaging her right buttock with one hand and stroking her bumhole with my other fingers. I licked my little finger and, nudging it against her sphincter, applied enough pressure to slip the tip inside her. She turned her head as if to tell me to take it slowly, which I did, allowing her muscles to relax until I could draw it in and out rhythmically. Her own hand had instinctively moved down to her clit, which she was strumming efficiently, her fingertips gently tickling my shaft as she took it inside her.

"Do you want to fuck it?" she suddenly and breathlessly asked. I could barely believe my luck, and instantly pushed her forward onto her knees. Leaving her frigging herself, I ran to the bathroom for some lubrication, after feeling that her arsehole was quite tight. Covering my fingers, I soon had my middle finger knuckle deep in her chute and she nodded her compliance each time I pushed it in further. Once relaxed, I drew it out, positioning my bell end where it had just been.

When my head popped in, she let out a short whimper, whilst my balls virtually exploded with excitement. I was so near to cumming, but was desperate to ride her bum for the first time. Spreading the cheeks wide, I steadily pumped away at it whilst she moaned and repeated "Fuck, fuck!" through gritted teeth over and over again.

I felt my spunk race through my cock and then watched it swell as it was delivered into her arsehole. I pulled out before I had finished, leaving a stream of cum in her crack, which mingled with the jizz from her dilating hole. Whilst I wiped the remains of my cum over her perspiration covered cheeks, she brought herself off, eventually shuddering to a climax, face down on the floor.

The best part is, she loved it so much that now she insists she gets it anally each time we fuck. As if I need any persuading!

CASSIE ♣

Wet, wet, wet...

World

It's not often you get to make your debut in *Club* and play out your favourite fetish all in one go, but that's what 19-year-old Cali cutie Cassie is doing here.

"I'm delighted to be in *Club*," she giggles, "and to be doing it with a pool shoot is extra wild! I love to fuck in the water most of all – whether that's in a pool, the shower, a jacuzzi, it doesn't matter. Getting wet makes me wet!

That figures.

"No, dummy. I mean wet inside! The only chance you've got of fucking my ass is to take me for a dip first!" ♣

CASSIE

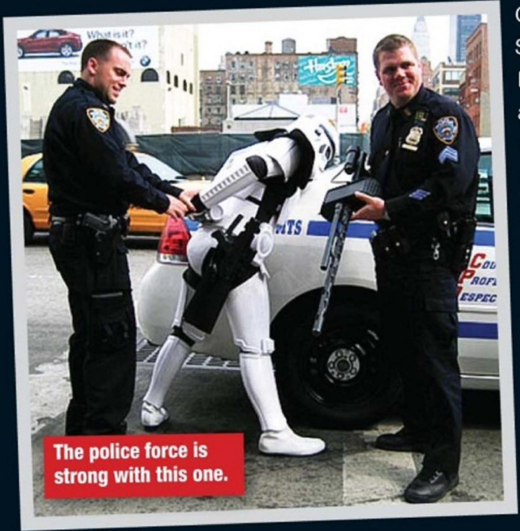
What our well-placed moles are telling us this month...

DOWN THE WIRE

POW!

There wasn't a film crew in sight as a foot soldier for the Galactic Empire got well and truly lamped (shame), but please, don't upset a Ghostbuster – they're the good geeky guys!

31 year-old Adam Barnes from Portland, Maine, was tasered by police outside Coast City Comics' Free Comic Book Day celebrations after allegedly assaulting two costumed participants. According to Cumberland County Sheriff's Office, Barnes punched a Stormtrooper and attempted a chokehold while yelling obscenities at fellow revellers, as well as throwing a Ghostbuster to the ground. There, there, we're sure there are enough comic books to go round.



The police force is strong with this one.

20/20!

This could be an advertisement for Specsavers, if a precarious one. Thomas Grant from Pennsylvania mistook his nine year-old cousin for a skunk, during a game of Hide and Seek at a Halloween party and shot her through the shoulder.

Grant admitted the charges of assault and reckless endangerment and will serve a two-year probation and pay restitution to the family. Officers were later told by Grant's mother that she had seen a skunk earlier and had given her son instructions to shoot it. Poor old Pepe Le Pew!

I stink 'cause I'm funky!

FATAL PHALLUS!

Expired fraudulent certificates, prohibited drug treatments, a box of wooden penises and a severed bloody goats head in a bucket: Saturday night in a Voodoo Bar?

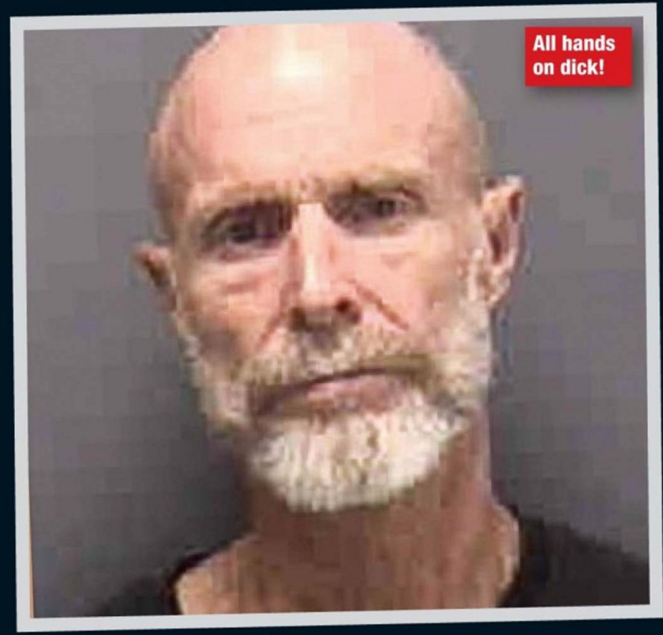
Police in Tshwane, South Africa, arrested a suspected conman whom they believe to be part of a 'penis enlargement syndicate' who has been posing as a doctor and preying on insecure males.

During a search of the practice premises, police discovered a box of eight wooden penises, pamphlets advertising illegal creams that promised 3-5 inches of growth, penis pumps and the aforementioned goats head. I think I would prefer to prance around a fire, muttering gibberish myself.

The Ann Summers stocktaking was in progress.

AYE-AYE!

'Raising the mast' was a term taken rather too literally by Scott Barron. The 67 year-old was spotted by an off duty deputy standing on a docked boat, penis in hand. After being requested to stop, it is alleged that Barron swore at the officer and then stated that he was just exercising. The officer obviously wasn't impressed with his forearm action as he was charged with indecent exposure but was released from gaol on a $1000 bond.



All hands on dick!
